## UPCOMING CHANGES ON THE UNITS

EFFECTIVE May 6th

Periodically, long term care homes review how their staff are deployed on the units. The Lodge recently completed this review and we are pleased to announce that some changes will occur on each unit, in an effort to balance the needs and requirements of all of the residents and to best utilize the skills each staff member has to offer. This is our opportunity to enhance the care and service that is provided to the residents. Following these changes, the new staff on each unit will be working closely with the current staff to become familiarized with each resident's individual care needs. Please welcome these staff members to your unit.

## *Farewell to Dora Litwack*

On April 29<sup>th</sup>, 2019, Dora Litwack was discharged from Hillel Lodge to begin a new journey at Baycrest in Toronto. She will be closer to her daughters, Marilyn and Judy, Grandchildren and family.

Dora was known to Hillel Lodge long before she became a resident. She volunteered with the Women's Auxiliary of Hillel Lodge for over 50 years, including the time as the Auxiliary President.

Dora and her late husband, Sam, generously donated the Sukkot to the Home. Many years ago, she assumed responsibility for decorating the Sukkah each year with the late Howie Osterer, who would bring the Jewish Boy's and Girl's Scouts in to help.

An informal goodbye tea was held for Dora on April 28<sup>th</sup>. Members of the Auxiliary, extended family members and staff were there to wish her all the best in her new Home.

Dora told the crowd "I leave with a heavy heart and many mixed emotions as Hillel Lodge will always be my Home."

Instead of the John I call my  
bathroom the Jim!  
That way it sounds better when I  
say I go to the Jim first thing  
every morning!!!
